Hey Bulldog

Sheepdog standing in the rain Bullfrog doing it again Some kind of happiness is Measured out in miles What makes you think you're Something special when you smile?

Childlike no one understands Jackknife in your sweaty hands Some kind of innocence is Measured out in years You don't know what it's like To listen to you fears

You can talk to me You can talk to me You can talk to me If you're lonely, you can talk to me

Big man walking in the park Wigwam frightened of the dark Some kind of solitude is Measured out in you You think you know me but you haven't got a clue

You can talk to me You can talk to me You can talk to me If you're lonely, you can talk to me
