

# Inhaler

Miles Kane

I've been lookin' forward to liftin' up the veil  
Yes is the answer you know that for sure  
The night time is the right time, don't you know girl  
You've heard it before  
Hey

Inhaler, inhaler  
Yeah yeah yeah  
Yeah yeah yeah  
Inhaler, inhaler  
Yeah yeah yeah  
Yeah yeah yeah

Cold is the shoulder you'll give me for sure  
Dance with your hips and grind on the floor  
The night time is the right time, don't you know girl  
You've heard it before  
Hey

Inhaler, inhaler  
Yeah yeah yeah  
Yeah yeah yeah  
Inhaler, inhaler  
Inhaler, inhaler  
Yeah yeah yeah  
Yeah yeah yeah

Inhaler, inhaler,  
Inhaler, inhaler  
Yeah yeah yeah
