I've been lookin' forward to liftin' up the veil
Yes is the answer you know that for sure
The night time is the right time, don't you know girl
You've heard it before
Hey
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah
Cold is the shoulder you'll give me for sure
Dance with your hips and grind on the floor
The night time is the right time, don't you know girl
You've heard it before
Неу
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah
Inhaler, inhaler
Inhaler, inhaler
Yeah yeah yeah
Yeah yeah yeah
Inhaler, inhaler,
Inhaler, inhaler
Yeah yeah yeah
```
