

# Kaka Boom

Miles Kane

You pull me apart  
Now, you pull me apart  
In a pool with the sharks  
I fall from the start  
A lion calling  
In the morning  
A lion calling  
In the morning

I  
I wanna know

I  
I wanna know  
Kaka boom  
Kaka boom

A sinner should sway  
A sinner should sway  
You're backing away now  
You're backing away  
Your knight must go  
Your knight must go to war  
Your knight must go  
Your knight must go to war

Yes I  
I  
I wanna know

I  
I wanna know  
Kaka boom!  
Kaka boom!

Hey!

I  
I wanna know

I  
I wanna know  
Kaka boom!  
Kaka boom!  
Kaka boom!  
Kaka boom!
