

Telepathy

Miles Kane

1. I can feel you searching round my brain
Looking for a way to make a wave
Falling out and in
In and out again
Until our falling thoughts cascade together

R: Telepathy to the rescue
Just look at me and I will let you know
I will let you... know

2. I can see you making little flames
All along the path to guide the way
Floating out and in
In and out again
Until our falling thoughts cascade together

R: Telepathy to the rescue...
