

## 7 Things

Miley Cyrus

1. I probably shouldn't say this  
but at times i get so scared  
when i think about the previous  
relationship we shared  
it was awesome but we lost  
it's not possible for me not to care  
and now we're standing in the rain  
nothing's ever gonna change ntil you hear, my dear

R1: The seven things I hate about you  
the seven things I hate about you, oh you  
you're vain, your games, you're insecure  
you love me, you like her  
you make me laugh, you make me cry  
I don't know which side to buy  
Your friends they're jerks  
When you act like them, just know it hurts  
I wanna be with the one I know  
And the 7th thing I hate the most that you do  
You make me love you

2. It's awkward and silent  
As I wait for you to say  
What I need to hear now  
Your sincere apology  
When you mean it, I'll believe it  
If you text it, I'll delete it let's be clear  
Oh I'm not coming back  
You're taking 7 steps here

R1: The seven things...

\*: And compared to all the great things  
that would take too long to write  
I probably should mention  
The 7 that I like

R2: The 7 things I like about you  
Your hair, your eyes, your old levi's  
when we kiss, I'm hypnotized  
You make me laugh, you make me cry  
But I guess that's both I'll have to buy  
Your hand in mine  
When we're intertwined everything's alright  
I wanna be with the one I know  
And the 7th thing I like the most that you do  
You make me love you  
you do
