

7 Things

Miley Cyrus

1. I probably shouldn't say this
but at times i get so scared
when i think about the previous
relationship we shared
it was awesome but we lost
it's not possible for me not to care
and now we're standing in the rain
nothing's ever gonna change ntil you hear, my dear

R1: The seven things I hate about you
the seven things I hate about you, oh you
you're vain, your games, you're insecure
you love me, you like her
you make me laugh, you make me cry
I don't know which side to buy
Your friends they're jerks
When you act like them, just know it hurts
I wanna be with the one I know
And the 7th thing I hate the most that you do
You make me love you

2. It's awkward and silent
As I wait for you to say
What I need to hear now
Your sincere apology
When you mean it, I'll believe it
If you text it, I'll delete it let's be clear
Oh I'm not coming back
You're taking 7 steps here

R1: The seven things...

*: And compared to all the great things
that would take too long to write
I probably should mention
The 7 that I like

R2: The 7 things I like about you
Your hair, your eyes, your old levi's
when we kiss, I'm hypnotized
You make me laugh, you make me cry
But I guess that's both I'll have to buy
Your hand in mine
When we're intertwined everything's alright
I wanna be with the one I know
And the 7th thing I like the most that you do
You make me love you
you do
