

# Bad Mood

Miley Cyrus

(Ooh) I wake up in a bad mood  
(Ooh) I wake up in a bad mood

I always wake up in a bad mood  
I can never fall asleep  
I'm always thinkin' bout you  
What life would be if we didn't meet  
I always wake up in a bad mood  
Open my eyes then I'm on my feet  
And I wonder what you would do, yeah  
If you couldn't rely on me

(Ooh) I wake up in a bad mood  
(Ooh) I wake up in a bad mood  
And you know that I got the proof  
We're held together just by a string  
And while you're hangin' round with your crew  
I'm here balancin' too many things

I always wake up in a bad mood  
I'm sick of rushing straight to the sink  
You're acting like you ain't got the news  
I don't even really care what you think  
But what I do, you know I do with love  
I believe in more than you can see  
And you know I'm never givin' up  
I ain't stoppin' till I know I'm free

(Ooh) I wake up in a bad mood  
(Ooh) I wake up in a bad mood  
The glass ceilings gotta break  
All together, wanna hear ya say  
"I don't know how much more it can take"

You know it's gone on way too long (don't ya?)  
And you know it's wrong (don't ya?)  
But I know I'm strong (don't ya?)  
I don't give up (no sir)  
And when it gets rough (rough)  
I get tough (tough)  
I've had enough

(Ooh) I wake up in a bad mood  
(Ooh) I wake up in a bad mood  
And when the light starts getting dim  
I'll open windows up and let it in  
Sometimes it feels like it's 'bout to end  
Before it's all about to begin

(Ooh) I wake up in a bad mood  
(Ooh) I wake up in a bad mood
