

Bigger Than Us

Miley Cyrus

1. I see your face, I look in your eyes
What you feel is no surprise
Every one needs something to believe in

Tell me your dreams I'll tell you mine
In our hearts we'll look inside
and see all the colors of the rainbow
I know

R: We all want to believe in love
We all want to believe in something
Bigger than just us

We all want to be a part
Of the greater picture
That's hanging in our hearts (our hearts)
Yeah, its bigger than just us

2. I want to see beyond my own little world
Grab your hand so we can twirl around the galaxy
See the world with clarity oh, oh
Oh, Oh, we have such a long way to go
But I know
We're getting closer everyday

R: We all want...

It fills the universe,
it lights the skies above,
and rescues our hearts with love,

Love
We love
Love

That's what's bigger than us! (bigger than us!)

(C' mon !)
Its love, Its love
That's bigger than us
(Whew !)
It's love, It's love! (It's love, Its love !)

We all want to believe in love,
We all want to believe in something,
Bigger than just us!
