

# Bottom Of The Ocean

Miley Cyrus

1. It's been in the past for awhile  
I get a flash and I smile Am I crazy  
Still miss you baby  
It was real It was right  
But it burned too hot to survive  
All that's left is all these ashes

R: Where does the love go  
I don't know  
When it's all set and done  
How could I be losing you forever  
After all the time we spent together  
I had to know why I had to lose you  
Now you just become  
Like everything I'll Never find again  
At the bottom of the ocean

Do-do do, do-do  
Do do, do-do do, do-do do do,  
Do-do do do-do do do

2. In a dream you appear  
For awhile you were here so I keep sleeping  
Just to keep you with me  
I draw a map Connect the dots  
With all the memories that I got  
What I'm missing I'll keep reliving

R2: Where does the love go...

This is it  
Let go

\*: You don't have to Love me for me to  
Baby ever understand  
Just know all of the time that we both had  
And I don't ever wanna see you sad

Be happy  
Cause I don't wanna hold you If you don't wanna tell me  
You love me babe  
Just know I'm gonna have to walk away  
I'll be big enough for the both of us

to say be happy

Do-do do, do-do (be happy)  
Do do, do-do do, do-do do do, (be happy)  
Do-do do do-do do do

Be happy
