

## Clear

Miley Cyrus

Its six A.M. and I'm wide awake  
Cause I can't stop thinking  
About the stuff you were saying to me  
And I can't let it slide  
The paper's not here yet the suns not up  
But I'm not afraid to tell you what I feel inside  
I had one of those dreams that makes it all so

Clear to me now  
I got a whole new perspective  
It's so Clear to me now  
You can't treat me that way  
It appears to me  
How long you tried to make me think it was me  
Who was being the fake  
So Clear

Why did I smile when I hurt inside  
Said I was okay when I knew it's a lie  
I wanted to believe in you  
You took your chances and one was me  
So I'll just forgive you and set you free  
I'm on my way  
Yeah I'm stepping out of the haze and its so

R:

I wanna put the past behind  
Try and maybe I can find better days  
First time in a while  
I think I even feel a smile on my face

R:

Suns going down on a Saturday  
And I feel all right and I feel OK
