

# Drive

Miley Cyrus

Drive my heart into the night  
You can drop the keys off in the morning  
Cause I don't wanna leave, oh  
Without your love, without it

You told me that you wanted this  
I told you it was all yours  
If you don't want it  
Then would you stay forever  
For if forever's out the door  
I'll ignore when you call

Drive my heart into the night  
You can drop the keys off in the morning  
Cause I don't wanna leave, oh  
Without your love, without it

You told me you were coming back, right back  
Promised it was real and I believe that  
But if I fall for it again I will be a fool  
If our love is at the end  
Then why do I still want you?

But I guess I got no Valentine  
Send me roses, I just let 'em die  
I was crazy thinking you were mine  
It was all just a lie

Drive my heart into the night  
You can drop the keys off in the morning  
Cause I don't wanna leave, oh  
Without your love, without it

I always knew I never wanted this  
I never thought it could happen  
You acted like you wanted this  
But then you led me on

I thought you would be there when I go  
You promised you would be there when I go  
But all the broken promises I won't miss  
Something is all I know are the facts  
That when I look you in the eyes  
All I see are the lies  
Been there, done that

Drive my heart into the night  
You can drop the keys off in the morning  
Cause I don't wanna leave, oh  
Without your love, without it
