

# Every Rose Has Its Thorn

Miley Cyrus

1. We both lie silently still, in the dead of the night.  
Although we both lie close together, we feel miles apart inside.  
Was it something I said, or something I did, did my words not come  
out right?  
Though I tried not to hurt you, though I tried,  
but I guess that's why they say

R: Every rose has its thorn.  
Just like every night has its dawn.  
Just like every cowboy sings a sad, sad song.  
Every rose has its thorn.

2. Listen to our favorite song, playing on the radio.  
Well the DJ says loves a game of easy come and easy go.  
But I wonder, does he know, has he ever felt like this.  
Well I know that you'd be here right now if I  
coulda let you know somehow, I guess

R: Every rose has...

\*: Though it's been awhile now, I can still feel so much pain.  
Like a knife that cuts you the wound heals, but the scar, that sca  
r remains

3. I know I coulda saved our love that night if I'd known what to say  
.  
Instead of making love we both made our separate ways.  
And now I hear you've found somebody new, and that I never meant t  
hat much to you.  
To hear that tears me up inside, and to see you cuts me like a kni  
fe, I guess

R: Every rose has...
