

# Full Circle

Miley Cyrus

I've been in a rut  
Back and forth enough  
Heart like the wheel  
Without you around  
So uncomfortable is how it feels

Every time you're near  
Trouble disappears  
Under the ground  
But when you go too far  
Silver clouds will start hanging around

And I know why  
Try to run  
But I keep on  
Coming back  
Full circle  
And I can't jump the track  
Can't let you go

Tried to once  
So I keep on  
Coming back  
Full circle  
'Cause I know you'll come around  
You'll come around

Skipkin' down a broken path  
How long can I last  
Please let me know  
Where's the finish line  
'Cause I've got to find somewhere to go

I don't want to hear  
These people interfere  
What do they know  
What I feel inside  
When I'm up all night  
Needing you oh...

I don't know why  
Tried to run  
But I keep on  
Coming back  
Full circle  
And I can't jump the track  
Can't let you go

Tried to once  
So I keep on  
Coming back  
Full circle  
'Cause I know you'll come around  
You'll come around

'Cause I know you'll come around  
You'll come around

I'll keep on runnin'  
Til we meet in the middle  
I'll push it right aside  
And I give just a little  
There's miles to go  
But wait  
Don't hold back  
We'll make it

And I know why  
Tried to run  
But I keep on  
Coming back  
Full circle  
And I can't jump the track  
Can't let you go

Tried to once  
So I keep on  
Coming back  
Full circle  
'Cause I know you'll come around  
You'll come around

I know you'll come around  
You'll come around

Yeah I know you'll come around  
You'll come around
