

Good And Broken

Miley Cyrus

Are you overloaded?
Candy coated
Your life's imploding now

There's a risk worth taking
A pain worth aching
On this hollow ground

We can let go
Don't hold on to all of life's hardest parts
When we think of stopping
Let's keep on rocking
To the rhythm of our hearts

We can
Break out of here
Jump on over there
Where the air is clearer
We can
Forget the pace
Win in our own race
Become a broken chain
We are broken chains
Good and broken

Find the magic, go and grab it
Your fate is in your hands
Come on, find a reason
To believe in, just tell yourself

Get off your seat
On your feet
Raise your hands
Feel the beat
Let it go
Loose control
Feel it in your soul

Don't you know
What you can do
If you have faith in you
Let's not be invisible
There's no red light in life
Just go
