

# Good And Broken

Miley Cyrus

Are you overloaded?  
Candy coated  
Your life's imploding now

There's a risk worth taking  
A pain worth aching  
On this hollow ground

We can let go  
Don't hold on to all of life's hardest parts  
When we think of stopping  
Let's keep on rocking  
To the rhythm of our hearts

We can  
Break out of here  
Jump on over there  
Where the air is clearer  
We can  
Forget the pace  
Win in our own race  
Become a broken chain  
We are broken chains  
Good and broken

Find the magic, go and grab it  
Your fate is in your hands  
Come on, find a reason  
To believe in, just tell yourself

Get off your seat  
On your feet  
Raise your hands  
Feel the beat  
Let it go  
Loose control  
Feel it in your soul

Don't you know  
What you can do  
If you have faith in you  
Let's not be invisible  
There's no red light in life  
Just go
