

# I Forgive Yiew

Miley Cyrus

I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you

I didn't mean all the shit I say  
But it's better than what's going on in my head  
How dare you bring another chick in our bed  
You're lucky I'm doing my yoga or you might be dead  
I ain't doin nothing that could take away my zen  
If you are not enchanting then you fucked it up again  
Life's a bunch of tests, and we all just do our best  
Searching for something outside ourselves to bring us happiness, yes

I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you

You and I dont know  
What goes on for us  
If we leave through the stars, we'll both know  
What's a life for us

I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you
