

# I Miss You

Miley Cyrus

Sha la la la la  
Sha la la la la

1. You used to call me your angel  
Said I was sent straight down from heaven  
You'd hold me close in your arms  
I loved the way you felt so strong  
I never wanted you to leave  
I wanted you to stay here holding me

R: I miss you  
I miss your smile  
And I still shed a tear  
Every once in a while  
And even though it's different now  
You're still here somehow  
My heart won't let you go  
And I need you to know  
I miss you, sha la la la la  
I miss you

2. You used to call me your dreamer  
And now I'm living out my dream  
Oh how I wish you could see  
Everything that's happening for me  
I'm thinking back on the past  
It's true that time is flying by too fast

R: I miss you...

\*: I know you're in a better place, yeah  
But I wish that I could see your face, oh  
I know you're where you need to be  
Even though it's not here with me

R: I miss you... (2x)
