

Just Girl

Miley Cyrus

1. Finally

I've been waiting for this moment
For you to see the real me
It's been an illusion but I never meant to fool you
I got caught up in a fantasy

R: I'm just a girl

With a dream that got the best of me
In a world that believes fame is everything
Got out of touch with the ones that gave me my wings
To fly, to fly

2. People say

That the world is like a stage
Yes I'm confused, the roles I play
I've been away from home for so long
That I, almost forgot where I belong

R: I'm just a girl...

3. It's so easy to forget

what really matters in this life
It's so hard to live with regrets
But I promise I will try
To be a better me
From now on, I'm sorry
I didn't mean to do you wrong

R: I'm just a girl...

You give me my wings
so I can fly
I can fly, yeah

I'm just a girl
