

# Just Like You

Miley Cyrus

Oooooohhhh...

So what you see is only half the story  
There's another side of me  
I'm the girl you know but I'm someone else too  
If only you knew  
It's a crazy life  
But I'm alright

I've got everything I've always wanted  
I'm living the dream  
So yeah everything I've always wanted  
Is it always what it seems?  
I'm a lucky girl  
Whose dreams came true  
But underneath it all  
I'm just like you

Don't wanna be treated differently  
I wanna keep it all inside  
Half the time I've got my name in lights  
The other half I'm by your side  
It's a crazy life but I'm just fine

I've got everything I've always wanted  
I'm living the dream  
So yeah everything I've always wanted  
Is it always what it seems?  
I'm a lucky girl  
Whose dreams came true  
But underneath it all  
I'm just like you  
Yeah, yeah

Can't you see I'm just an ordinary girl?  
Living in an extraordinary world  
Trying to live  
Trying to learn  
Trying to just be who I am

Who I am

I've got everything I've always wanted  
I'm living the dream  
So yeah everything I've always wanted  
Is it always what it seems?  
I'm a lucky girl  
Whose dreams came true  
But underneath it all  
I'm just like you (2x)
