

# Malibu

Miley Cyrus

I never came to the beach or stood by the ocean  
I never sat by the shore under the sun with my feet in the sand  
But you brought me here and I'm happy that you did  
'Cause now I'm as free as birds catching the wind

I always thought I would sink, so I never swam  
I never went boatin', don't get how they are floatin'  
And sometimes I get so scared  
Of what I can't understand

But here I am  
Next to you  
The sky's more blue  
In Malibu  
Next to you  
In Malibu  
Next to you, baby

We watched the sun go down as we were walking  
I'd spend the rest of my life just standing here talking  
You would explain the current as I just smile  
Hoping that you'll stay the same and nothing will change  
And it'll be us just for a while  
Do they even exist?  
That's when I make the wish  
To swim away with the fish

Is it supposed to be this hot all summer long?  
I never would've believed you  
If three years ago you told me  
I'd be here writing this song

But here I am  
Next to you  
The sky's so blue  
In Malibu  
Next to you  
In Malibu  
Next to you, baby

Next to you  
The sky's so blue  
In Malibu, baby  
Next to you

We are just like the waves that flow back and forth  
Sometimes I feel like I'm drowning and you're there to save me  
And I wanna thank you with all of my heart  
It's a brand new start  
A dream come true  
In Malibu
