

# Rainbowland

Miley Cyrus

Hey, Miley  
It's me, I'm in Nashville  
I'm on my way to Dollywood, busy as you are  
Can't get enough stuff to do, can't  
But anyway, I'm excited about singing with you  
So I'm just gonna turn my CD player on with you singing  
I'm gon' put this on a cassette  
Sing along with it, and then I'll run you off a CD later  
Oh, I'm so high tech  
I got a flip phone too  
But anyhow, see what you think  
And mmm, here I go

Come on  
Livin' in a rainbowland  
Where everything goes as planned and I smile  
'Cause I know if we tried, we could really make a difference in this world  
I won't give up or sleep a wink  
It's the only thought I think  
You know where I stand  
I believe we can start livin' in a rainbowland

Livin' in a rainbowland  
Where you and I go hand in hand  
Oh, I'd be lyin' (I'd be lyin'), if I said this was fine  
All the hurt and the hate going on here (hate going on here)  
We are rainbows, me and you  
Every color, every hue  
Let's shine through  
Together we can start livin' in a rainbowland

Living in a rainbowland  
Where skies are blue and things are grand  
Oh, wouldn't it be nice (so nice) to live in paradise  
Where we're free to be exactly who we are  
Let's all dig down deep inside  
Brush the judgment and fear aside  
Make wrong things right (all things right), and end the fight  
'Cause I promise ain't nobody gonna win  
(C'mon)

Livin' in a rainbowland  
Where you and I go hand in hand  
Oh, I'd be lyin' (I'd be lyin'), if I said this was fine  
All the hurt and the hate going on here (hate going on here)  
We are rainbows, me and you  
Every color, every hue  
Let's shine through  
Together we can start livin' in a rainbowland

Ooohh, ooohh, ooohh

Livin' in a rainbowland  
Where you and I go hand in hand together (let's do it together)  
Change things forever (forever)  
I know there's got to be a greater plan  
We are rainbows, me and you

Every color, every hue  
Let's shine through (shine my head)  
Together we can start livin' in a rainbowland

Ooohh, ooohh, ooohh  
Ooohh, ooohh

Hey, Miley  
Look, I know it sounds scrambled when I'm singing it with you  
But do a little bit better  
At least, I may not get it all the way through  
'Cause I'm not sure of the structure without you  
But I think this could work well, don't you?  
If not, like I said  
I'll write that love song for you  
You probably wrote it about some boy you loved, didn't ya?  
Well...
