

Right Here

Miley Cyrus

1. I'll be right here where you need me
Anytime just keep believing
And I'll be right here...

2. If you ever need a friend
Someone to care and understand
I'll be right here

R1: All you have to do is call my name
No matter how close or far away
Ask me once and I'll come, I'll come running
And when I can't be with you dream me near
Keep me in your heart, and I'll appear
All you have to do is turn around
Close your eyes, look inside
I'm right here

3. Isn't it great that you know that
I'm ready to go wherever you're at
Anywhere, I'll be there

R: All you have...

R2: Whenever you need me
There's no need to worry
You know that I'm gonna be right here

Ask me once and I'll come, I'll come running
And when I can't be with you dreaming near
Keep me in your heart and I'll appear
All you gotta do is turn around
Close your eyes, look inside
