

Scars

Miley Cyrus

I can pretend that I don't see you,
I can pretend I don't wanna hold you when you're around,
(When you're around)
I can say that nothing was right,
But we know if I looked in your eyes I'd break down,
(yeah, let's break down)

If I could, for just one night,
to be with you, to make it right,
And what we were, and what we are,
Is hidden on the, in the scars,
If I could, take you there,
I won't let go, this I swear,
You won't have to wonder what we are,
Cause you won't have to look to far,
It's in the scars, It's hidden in the scars

If I told you that I love you,
But I'm doing alright without you
it'd be a lie, but I could try,
I'd run thousand miles we're leaving,
You're the only one, I want you breathing to break down,
(yeah lets break down)

If I could, for just one night,
to be with you, to make it right,
And what we were, and what we are,
Is hidden on the, in the scars,
If I could, take you there,
I won't let go, this I swear,
You won't have to wonder what we are,
Cause you won't have to look to far,
It's in the scars, ooooooh,

Yeah I'll tell you all my secrets,
All the ones I've kept inside,
And I'll give you all the reasons,
That you faded from my life,
I will learn to go, baby come here for,
I will let you, up away

If I could, for just one night,
to be with you, to make it right,
And what we were, and what we are,
Is hidden on the, in the scars,
If I could, take you there,
I won't let go, baby this I swear,
You won't have to wonder what we are,
Cause you won't have to look to far,
It's in the scars, it's hidden in the scars,
Hidden in the scars
Yeah yeah eh eh ehheh yeah eh

I can pretend that I don't see you,
I can pretend I don't wanna hold you when your around
