

# See You Again

Miley Cyrus

1. I got my sights set on you and I'm ready to aim  
I have a heart that will never be tamed  
I knew you were something special  
When you spoke my name  
Now I can't wait to see you again

2. I've got a way of knowing when something is right  
I feel like I must have known you in another  
life  
Cause I felt this deep connection  
when you looked in my eyes  
Now I can't wait to see you again

R: The last time I freaked out  
I just kept looking down  
I st-st-stuttered when you asked me what I'm thinking about  
Felt like I couldn't breath  
You asked what's wrong with me  
My best friend Lesley said "Oh she's just being Miley"  
The next time we hang out  
I will redeem myself  
My heart it can't rest till then  
I can't wait to see you again

3. I got this crazy feeling, deep inside  
When you called and asked to see me tomorrow night  
I'm not a mind reader but I'm reading the signs  
That you can't wait to see me again

R: The last time I freaked out...

I got my sights set on you and I'm Ready to aim

R: The last time I freaked out...
