

# Someone Else

Miley Cyrus

If you're looking for love  
Know that love don't live here anymore  
He left with my heart  
They both walked through that door without me  
If you're trying to find pity well, you need to look somewhere else  
'Cause I surely can't help you  
I'm hurting myself  
I've turned into someone else

I used to believe love conquered all  
'Cause that's what I've seen in movies  
Come to find out it's not like that at all  
You see real life's much different

I don't wanna see you go  
I only wanna see you smile  
It hurts so much just thinking of  
Felt like this for awhile  
I can't stand to see us fail  
We cried, we lied  
Cannot pretend to take us back  
To what we had, to make us feel alive again  
Hold me close, don't let me go, I hope  
Tell me now is not the end

If you're looking for love  
Know that love don't live here anymore  
He left with my heart  
They both walked through that door without me  
If you're trying to find pity well, you need to look somewhere else  
'Cause I surely can't help you  
I'm hurting myself  
I've turned into someone else

I've turned into someone else

I used to believe love conquers all  
'Cause that's what I felt when you held me  
I thought you'd catch me if I fall  
And fill me up when I'm empty

I don't wanna see you go  
I only wanna see you smile  
It hurts so much just thinking of  
Felt like this for awhile

I can't stand to see us fail  
We cried, we lied  
Cannot pretend to take us back  
To what we had, to make us feel alive again  
Hold me close, don't let me go, I hope  
Tell me now is not the end

If you're looking for love  
Know that love don't live here anymore  
He left with my heart  
They both walked through that door without me

If you're trying to find pity well, you need to look somewhere else  
'Cause I surely can't help you  
I'm hurting myself  
I've turned into someone else

Love is patient  
Love is selfless  
Love is hopeful  
Love is kind  
Love is jealous  
Love is selfish  
Love is helpless  
Love is blind

Love is patient  
Love is selfless  
Love is hopeful  
Love is kind  
Love is jealous  
Love is selfish  
Love is hopeless  
Love is blind

Yeah, yeah  
Ooh, yeah  
I've turned into someone else
