

# Stay

Miley Cyrus

Well it's good to hear your voice  
I hope you're doing fine  
And if you ever wonder  
I'm lonely here tonight  
Lost here in this moment  
Time keeps slipping by  
If I could have just one wish  
I'd have you by my side

Oooohh I miss you  
Oooohh I need you  
And I love you more than I did before  
And if today I don't see your face  
Nothing's changed, no one can take your place  
It gets harder everyday  
Say you love me more than you did before  
And I'm sorry it's this way  
But I'm coming home, I'll be coming home  
And if you ask me I will stay, I will stay

Well I tried to live without you  
But tears fall from my eyes  
I'm alone and I feel empty  
I'm torn apart inside

I look up at the stars  
Hoping you are doing the same  
And somehow I feel closer  
And I can hear you say  
Oooohh I miss you  
Oooohh I need you  
And I love you more than I did before  
And if today I don't see your face  
Nothing's changed, no one can take your place  
It gets harder everyday  
Say you love me more than you did before  
And I'm sorry it's this way  
But I'm coming home, I'll be coming home  
And if you ask me I will stay, I will stay, always stay

I never wanna lose you  
And if I had to I would choose you  
So stay, please always stay  
You're the one that I hold on to  
My heart would stop without you

I love you more than I did before  
And if today I don't see your face  
Nothing's changed, no one can take your place  
It gets harder everyday  
Say you love me more than you did before  
And I'm sorry that it's this way  
But I'm coming home, I'll be coming home  
And if you ask me I will stay, I will stay, I'll always stay  
And I love you more than I did before  
And I'm sorry that it's this way  
But I'm coming home, I'll be coming home

And if you ask I will stay, I will stay, I will stay
