

Stay

Miley Cyrus

Well it's good to hear your voice
I hope you're doing fine
And if you ever wonder
I'm lonely here tonight
Lost here in this moment
Time keeps slipping by
If I could have just one wish
I'd have you by my side

Oooohh I miss you
Oooohh I need you
And I love you more than I did before
And if today I don't see your face
Nothing's changed, no one can take your place
It gets harder everyday
Say you love me more than you did before
And I'm sorry it's this way
But I'm coming home, I'll be coming home
And if you ask me I will stay, I will stay

Well I tried to live without you
But tears fall from my eyes
I'm alone and I feel empty
I'm torn apart inside

I look up at the stars
Hoping you are doing the same
And somehow I feel closer
And I can hear you say
Oooohh I miss you
Oooohh I need you
And I love you more than I did before
And if today I don't see your face
Nothing's changed, no one can take your place
It gets harder everyday
Say you love me more than you did before
And I'm sorry it's this way
But I'm coming home, I'll be coming home
And if you ask me I will stay, I will stay, always stay

I never wanna lose you
And if I had to I would choose you
So stay, please always stay
You're the one that I hold on to
My heart would stop without you

I love you more than I did before
And if today I don't see your face
Nothing's changed, no one can take your place
It gets harder everyday
Say you love me more than you did before
And I'm sorry that it's this way
But I'm coming home, I'll be coming home
And if you ask me I will stay, I will stay, I'll always stay
And I love you more than I did before
And I'm sorry that it's this way
But I'm coming home, I'll be coming home

And if you ask I will stay, I will stay, I will stay
