

# Younger Now

Miley Cyrus

Feels like I just woke up  
Like all this time I've been asleep  
Even though it's not who I am  
I'm not afraid of who I used to be

No one stays the same (oh, oh)  
You know what goes up must come down (oh, oh)  
Change is a thing you can count on (oh, oh)  
I feel so much younger now (oh, oh)

Feels like I've been living in a dream  
But never make it to the end  
My eyes open when they feel the light  
It's always right before I'm about to scream

No one stays the same (oh, oh)  
You know what goes up must come down (oh, oh)  
Change is a thing you can count on (oh, oh)  
I feel so much younger now (oh, oh)

What goes up must come down  
What goes up must come down  
What goes up must come down  
What goes up must come down (yeah)

No one stays the same (oh, oh)  
You know what goes comes back around (oh, oh)  
Change is a thing you can count on (oh, oh)  
I feel so much younger now (oh, oh)  
I feel so much younger now (oh, oh)  
I feel so much younger now (oh, oh)
