

Blackout

Milk Inc.

Will there be someone to hold
when the lights go out
Will I be left in the cold
when the lights go ..
Blackout

I was once
the girl that made your world
stand still
Don't you remember
In a corner of my mind
I keep the memory
of every little thing you said
Do you remember me

Will there be someone to hold
when the lights go out
Will I be left in the cold
when the lights go ..
Blackout

You're the one
living underneath
my skin
Don't you remember
In a corner of my mind
I keep the memory
of every little thing you said
Do you remember me

Will there be someone to hold
when the lights go out
Will I be left in the cold
when the lights go ..
Blackout

Ohohoh...

Don't you know me
don't you recognize me
don't you
wonder why

Will there be someone to hold
when the lights go out
Will I be left in the cold
when the lights go ..
Blackout
