Milk Inc.

Will there be someone to hold  
when the lights go out  
Will I be left in the cold  
when the lights go ..  
Blackout

I was once  
the girl that made your world  
stand still  
Don't you remember  
In a corner of my mind  
I keep the memory  
of every little thing you said  
Do you remember me

Will there be someone to hold  
when the lights go out  
Will I be left in the cold  
when the lights go ..  
Blackout

You're the one  
living underneath  
my skin  
Don't you remember  
In a corner of my mind  
I keep the memory  
of every little thing you said  
Do you remember me

Will there be someone to hold  
when the lights go out  
Will I be left in the cold  
when the lights go ..  
Blackout

Ohohoh...

Don't you know me  
don't you recognize me  
don't you  
wonder why

Will there be someone to hold  
when the lights go out  
Will I be left in the cold  
when the lights go ..  
Blackout
