

# Closer

**Milk Inc.**

I Can Tell By The Things You Do  
There's A Wall Between Me And You  
I Can Tell By The Things You Said  
All The Thoughts Running Through  
Your Head

There's A Lie Hidden In Your Smile  
It's Been Going On For Quite A While  
I Can Tell By The Things You Said  
All The Thoughts Running Through  
Your Head

Closer To Me  
I hope Our Love Will Find A Way  
Closer To Me  
Tell Me Why Can't We Try  
Is It So Hard To Come Closer
