Overload One more push and I explode Breaking news I am this close to blowing a fuse

If you can't take flames Then you shouldn't play games Can't take the heat Pack your bags and retreat

If you can't take flames Then you shouldn't play games Can't take the heat Pack your bags and retreat

You're playing with fire, fire Burning inside of me You're playing with fire, fire Burning inside of me Haven't you learned Playing with fire you will get burned

You're playing with fire, fire Burning inside of me You're playing with fire, fire Burning inside of me Haven't you learned Playing with fire you will get burned

Red alert Stand too close you'll get hurt Don't you know That I warned you to let it go
