

# Goodbye Says It All

Milk Inc.

We Wanted Love To Last Forever  
But Something's Missing  
Deep Inside  
And Now The Rain  
Is Pouring Down On Us  
And There's No Place  
Left To Hide

I Can't Find Words  
To Break Your Fall  
When Goodbye Says It All  
Don't Have The Answers  
When You Call  
When Goodbye Says It All  
I Can't Find The Strength  
To Break Down This Wall  
When Goodbye Says It All  
Don't Have The Answers  
When You Call  
Goodbye

You Turn To Me  
To Find The Answers  
You Look At Me  
To Make It Right  
And Now The Rain  
Is Pouring Down On Us  
And There's No Place  
Left To Hide

What's The Use In Running  
When We're On The Wrong Road
