

Invisible

Milk Inc.

Like a ghost from the past
Unheard, unseen, unknown
I was holding on
To a life I knew could never last

Like a broken window
Undone, unsafe, uncertain
I could walk away
Leave behind me what I couldn't say

Like a broken window
Undone, unsafe, uncertain
I could walk away
Leave behind me what I couldn't say

Is it naive
If I want to believe
You could see me like before

Is it naive
If I want to believe
You could see I wanted more

Am I invisible
Am I invisible
Is it so difficult for you
To care at all

Am I invisible
Am I invisible
Is it so difficult for you
To care at all

Am I invisible
Am I invisible
Is it so difficult for you
To care at all

Am I invisible
Am I invisible
Is it so difficult for you
To care at all
