If it's good enough for you
It's gotta be good enough for me
Anything you can do, I can do it better
If it's good enough for you
It's gotta be good enough for me
Anything you can do
I can do it better

If it's good enough for you
It's gotta be good enough for me
Anything you can do
I can do it better
If it's good enough for you
It's gotta be good enough for me
Anything you can do
I can do it better

If it's good enough for you
It's gotta be good enough for me
If it's good enough for you
It's good enough for me
If it's good enough for you
It's gotta be good enough for me
If it's good enough for you
It is good enough for me
