

# Perfect Lie

Milk Inc.

Everybody makes mistakes when they are young  
I've had my chance to learn  
Time to move on

Thought of you as more than just a friend  
But some stories  
Were meant to end

You're not perfect, you're not flawless, you're not  
Beautiful  
Though the one thing that was perfect were the lies you  
Told  
You're not perfect, you're not flawless, you're not  
Beautiful  
No, the one thing that was perfect were the lies you  
Told

And every reason why  
Was based on a lie  
Every reason why  
Was just a lie

Every reason why  
Was based on a lie  
Just a perfect lie

Took a chance on you, but took a fall

How can I trust again?  
Or love at all

Thought of you as someone I could trust  
But some games are  
Meant to be lost

You're not perfect, you're not flawless, you're not  
Beautiful  
Though the one thing that was perfect were the lies you  
Told  
You're not perfect, you're not flawless, you're not  
Beautiful  
No, the one thing that was perfect were the lies you  
Told

And every reason why  
Was based on a lie  
Every reason why  
Was just a lie

Every reason why  
Was based on a lie (on a lie)  
Just a perfect lie (just a perfect lie)
