There was a time
When nothing would last
There was a time
I held on to the past

I would walk on water
just to be with you
Walk on water
just to be with you
Split the ocean, cross the sea
Walk on water, if you believe

There was a time I lost my faith There was a time I could only hate

You were my shepherd
you were my guide
I follow your dark eyes
right into the night
You were my saviour
You took control
you came and touched my soul

I would walk on water
just to be with you
Walk on water
just to be with you
Split the ocean, cross the sea
Walk on water, if you believe...

There was a time when nothing would last There was a time I held on to the past

You were my shepherd
you were my guide
I followed your dark eyes
right into the night
You were my saviour
You took control
you came and touched my soul

But why are you still overshadowed by a doubt? if only you could see
The love that carries me

I would walk on water
just to be with you
Walk on water
just to be with you
Split the ocean, cross the sea
Walk on water, if you believe
