

Sometimes  
I Still Hear You  
In Someone Else's Voice  
Sometimes  
It Get's Lonely  
But Do I Have A Choice

No One Seems To Notice  
The Breaking Of A Heart  
No One Sees My Dreams Falling Apart

I Wish I Didn't Need You  
I Wish You Never Looked Into My Eyes  
I Wish I didn't Need You  
But I've Been Blinded By Your Lies  
I Never Knew  
That Love Could Be So Wrong  
Can I Walk Away  
From Where My Heart Belongs

Somewhere  
In This Madness  
I'm Lost Without A Guide  
Somehow  
Though I Fight It  
The Memory Subsides

No One Seems To Notice  
The Breaking Of A Heart  
No One Sees My Dreams Falling Apart

I Wish I Didn't Need You  
I Wish You Never Looked Into My Eyes  
I Wish I didn't Need You  
But I've Been Blinded By Your Lies  
I Never Knew  
That Love Could Be So Wrong  
Can I Walk Away  
From Where My Heart Belongs
