

# Cocoon

Milky Chance

A-ah, a-ah, a-ah, a-o  
A-ah, a-ah, oh  
A-ah, a-ah, a-ah, a-o  
A-ah, a-ah, oh

I know that you must feel like facing  
with ruin, facing with ruin  
I messed it up as always,  
I'm afraid of losing, I'm afraid of losing  
I made you thinking oh so wrong  
I made you feeling the worst  
And I don't how to get along  
With myself when I'm weakened  
when I'm weakened

So let's go back to our cocoon  
On blackened afternoon  
I see your heart is bleeding too  
Let me bleed instead of you  
So let's go back to our cocoon  
On blackened afternoon  
I see your heart is bleeding too  
Let me bleed instead of you  
Let me bleed, let me bleed  
A-ah, a-ah  
Let me bleed, let me bleed  
A-ah, a-ah  
Instead of you

I've been always playing solid  
as I'm waving, solid as I'm waving  
So I became a liar,  
I've been underrating, overestimated  
I made it really hard for you,  
Hard for you to love me  
But there's so many things we could do  
And all we need is escaping, escaping

So let's go back to our cocoon  
On a blackened afternoon  
I see your heart is bleeding too  
Let me bleed instead of you  
So let's go back to our cocoon  
On a blackened afternoon  
I see your heart is bleeding too  
Let me bleed instead of you  
Let me bleed, let me bleed  
A-ah, a-ah  
Let me bleed, let me bleed  
A-ah, a-ah  
Instead of you

A-ah, a-ah, oh  
A-ah, a-ah

So let's go back to our cocoon  
On the blackened afternoon

I see your heart is bleeding too  
Let me bleed instead of you  
So let's go back to our cocoon  
On the blackened afternoon  
I see your heart is bleeding too  
Let me bleed instead of you  
Let me bleed, let me bleed  
Instead of you
