

Heartless

Milky Chance

Remember, that someday the heartless will go
Remember, that someday the heartless will go
Remember, that someday the heartless will go
Remember, that someday the heartless will go

Those people know the way
Those people know the way
Those people know the way
Those people know the way

Remember, that someday the heartless will go
Remember, that someday the heartless will go
Remember, that someday the heartless will go
Remember, that someday the heartless will go
