

Dance Craze

Millencolin

I'm in the bar when I should be in
front of you I play the pinball when I
really should be skanking it doesn't
matter how many times you ask me
up I appreciate it but it's complicated
I just can't dance baby
I just can't loose myself

I've got an image and I have to live
up on to the latest trend so nowadays
I'm macho and have you ever seen
a macho shake or twist his butt I
know your not so I'm not lickin' in on
the spot 'cause I can't dance baby
I just can't get in trance.

Someone told me bad boys don't
know why they not dancing
someone told me what they say is
their only way to slip away.
