You've got so many things going your way today but still you are lonely and no one listens to the things that you say depression is a lesson that you really gotta hold on to or is it fucked up anyway for you.

You've got so many things to say but that won't help you anyway because you're messed up and you're lost on other peoples thoughts.

Tough situation you believe that you're afraid of yourself you're looking around for directions and clues but you should look somewhere else 'cause somewhere inside you you can find the strength that you're searching for or is it fucked up anyway for you

Do it for yourself today you have got to find a way so do it for yourself.
