Killercrush

Millencolin

I wonder what the best thing is to have a face or to have charm?
Well, my girl's twofaced and she's a fartalarm
I'm not blind and I do have nose,
but I don't wanna use it now,
I rather try to follow my heart this time
good looks, it makes me nervous
I need someone who's not perfect.

It's you, you're overweight and lovely, yes it's true, a pig in walking shoes you drool every time we kiss, I must say you rule I'm falling in love with you.

I know that all those trendy girls would leave me when I'm broke and also be disgusted if I smoke, no joke. I don't need a model unless she has a major body.

Just an ounce of human touch, I realize it's a killercrush, I'm dancing, I'm overjoyed.

I took a chance on you cause I wanted some romance to and now I'm happy as can be cause this supersized woman means all to me.
