

## Man or Mouse

Millencolin

Yeah, yeah, yeah...  
I hate myself when going  
Yeah, yeah, yeah

Hear me I sound like a Beatle  
I get cold feet when the pressure is on  
You can't see me coz I'm lost like a needle  
In a haystack yeah I'm almost gone  
Like a mouse follows the flute  
Or like a mute who can't dispute I fall in line with you

Mouse more than Man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than Man, yes I am  
Coz yet I go with the flow  
See me as a chameleon, a cheap shot  
I change my cast for anybody's best  
But I'm not free I feel more like a robot  
That is programmed to please the rest  
So whatever you want I'll do  
Whenever you want me to I will agree with you

Mouse more than Man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than Man, yes I am  
Coz yet I go with the flow  
Yeah, yeah, yeah...  
I hate myself when going  
Yeah, yeah, yeah  
No more sound like a Beatle  
Those cold feet are for yesterday  
No more getting the needle  
I cannot care about what others say

Mouse more than Man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than Man, yes I am  
Coz yet i go with the flow before the shit hits the fan  
Yeah, yeah, yeah...  
This is my last time going  
Yeah, yeah, yeah...
