Millencolin

Another fairytale about these enndless feelings and when it's h  
eating up  
I think I'm stuck forever, I try to lose some weight, I try to  
get in shape  
but in the end I always end up lost inside myself.

Up and down gets nothing done, I just keep it waiting  
round and round out with the thumb, no, I just keep on waiting.

Twelve numbers stare at me, sometimes it's not that easy, inste  
ad of waking  
up I think I'll sleep forever, what happened to the dayroutines  
that always kept  
me going? where the hell are all the dreams I had about my life  
?

... now, but, someday I'll get the time, to get me back on the  
right track and no  
more slack, got to keep an open mind, I got to get out of this  
daily grind  
and deep inside I know I will.
