Millencolin

Another fairytale about these endless feelings and when it's h
eating up
I think I'm stuck forever, I try to lose some weight, I try to
get in shape
but in the end I always end up lost inside myself.

Up and down gets nothing done, I just keep it waiting
round and round out with the thumb, no, I just keep on waiting.

Twelve numbers stare at me, sometimes it's not that easy, inste
ad of waking
up I think I'll sleep forever, what happened to the dayroutines
that always kept
me going? where the hell are all the dreams I had about my life
?

... now, but, someday I'll get the time, to get me back on the
right track and no
more slack, got to keep an open mind, I got to get out of this
daily grind
and deep inside I know I will.
