

Yellow Dog

Millencolin

Tell me where you need to go
Kick me if I move too slow
Hear me listen with your mind
see me even if your blind

Will you walk with me right now?
will you talk to me this time
I can take a way the fog
Waiting for my yellow dog.

Tell me about the things you hide
Trust me and I'll be by your side
Don't lie to me or to yourself
Don't cry don't lay this on the shelf.

I always try to make things right
though it seems to be for nothing
it's hard to accept the fact
that you may not want me.

Think I'll keep on treating you this way
even though it may not change you
well that's my only chance
read my lips and listen if you can
you try to be so damn cool
look inside, analyze yourself
then you'll see you and me.
