l'm Gonna Miss You

Milli Vanilli

I knew it from the start You would break my heart But you still I had to play this painful part You wrapped me 'round your itty-bitty finger

With your magic smile You kept me hangin' on a lovers cross a while You put your spell on me Took my breath away

But there was nothin' I could do to make you stay I'm gonna miss you

All the love I feel for you Nothing could make me change my point of view Oh girl I'm gonna miss you baby

Giving all the love I feel for you Couldn't make you change your point of view You're leavin' Now I'm sittin' here, Wastin' my time I just don't know what I should do

It's a tragedy for me To see the dream is over And I never will forget the day we met Girl I'm gonna miss you

Like a honey bee You took the best of me Now I can't erase those memories Like a fairy tale You are so unreal You left a scar that's so hard to heal When you had a taste of paradise Back on earth can't feel As cold as ice I'm gonna miss you I'm gonna miss you I miss you

It's a tragedy for me To see the dream is over And I never will forget the day we met Girl I'm gonna miss you

It's a tragedy for me To see the dream is over And I never will forget the day we met Girl I'm gonna miss you
