

Boss Bitch

Millionaires

Millionaires mothafucka's

I'm the type of girl that your momma never wanna meet
Centerfold in your daddy's hidden magazine
I'm kinda sweet and fake like Splenda
Topless on the beach, you can call me Kendra
But I'm not like the girl next door
Inbetween a cheerleader and a whore
Ra-ra-raw like sushi
Always keep it clean, no douching

They be saying I'm a boss bitch
I'm a boss bitch I'm a boss bitch, boss bitch
They be hating I'm like nah bitch
I'm like nah bitch I'm like nah bitch, nah bitch

HA HA HA HA HA HA HA BITCH
Chinese, Japanese, dirty knees
Look at these hoes trying to get up on my main squeeze
Don't you know who the fuck I am, bitch please
Call me Hello Kitty, you be just a pussy
Uh, yo
And I'm better than the best of you
Always number one and you'll always be the number two
That awkward moment when I walk into the room
And I realize I'm the only bad bitch, move

They be saying I'm a boss bitch
I'm a boss bitch I'm a boss bitch, boss bitch
They be hating I'm like nah bitch
I'm like nah bitch I'm like nah bitch, nah bitch

I'm a train wreck, hot mess, no stress
Rockin' Louboutin, bitch you're wearing Payless
I'm a ten, you're barely a four
The filet mignon you will never afford, uh-hh
Yellow fever make them black dudes coo coo
You can holla back boy, harajuku
All these haters trying to use their voodoo
Ima kick their fucking ass, Lucy Lu
